## EDUCATION

### Sinhgad College of Engineering

2021 - 2025

B.E. - Computer Engineering | CGPA: 8.08 / 10

### Dr.chandrabhanu sonvane college, Latur

2021

12<sup>th</sup> | MSBSHSE | Percentage: 87.67 / 100

### Mata Nagris Datt vidhyalaya deoni, Deoni

2019

10<sup>th</sup> | MSBSHSE | Percentage: 84.20 / 100

## ASSESSMENTS / CERTIFICATIONS

### Web developer

31 Dec, 2024

#### Key Skills:

REST API | blockchain basic | version controlling | postgresSQL | express js | Node js | React JS | Javascript | CSS | HTML

I successfully completed the comprehensive Web Developer Bootcamp on Udemy. This course covered a wide range of web development topics and provided hands-on experience in creating dynamic and responsive websites. Key areas of learning and skills acquired include:

Front-End Development: Mastered HTML5, CSS3, and JavaScript to build interactive and visually appealing web pages.

Back-End Development: Gained proficiency in Node.js, Express.js, and SQL for server-side programming and database management.

Frameworks and Libraries: Learned to use popular frameworks such as React for building single-page applications (SPAs) and Bootstrap for responsive design.

Version Control: Utilized Git and GitHub for version control and collaboration.

APIs and AJAX: Developed skills in working with APIs and AJAX for fetching and displaying data asynchronously.

Throughout the course, I completed several projects, including a full-fledged e-commerce website and a social media platform, demonstrating my ability to implement web development concepts in real-world scenarios.

This certificate signifies my dedication to continuous learning and my readiness to tackle complex web development challenges.

## SEMINARS / TRAININGS / WORKSHOPS

### EDUNET Institute Name: Sinhgad College of Engineering

20 Feb, 2024 - 01 Mar, 2024

Key Skills: java | python | web development | Linux os | cloud computing

I am honored to have achieved a Certificate of Achievement from the EDUNET Foundation in collaboration with Microsoft and SAP. This program provided extensive training in web development, programming languages, and cloud computing. Key skills and knowledge acquired include:

Web Development: Mastered HTML, CSS, and JavaScript to create dynamic and responsive web pages, with a focus on form creation and user interface design.

Linux Operating System: Gained proficiency in using the Linux OS for development and system administration tasks.

Programming Languages: Developed strong programming skills in Java and Python, enabling the creation of robust and scalable applications.

Cloud Computing: Learned to leverage cloud services, particularly Microsoft Azure, for deploying and managing applications in the cloud environment.

Hands-On Projects: Completed various practical projects, including web application development, cloud-based deployments, and cross-platform integrations, demonstrating the ability to apply technical skills to solve real-world problems.

This certificate reflects my dedication to acquiring diverse technical skills and my readiness to implement modern technologies in professional settings.

## PERSONAL DETAILS

**Gender:** Male

**Current Address:** Shop no 2, Shri Apt. Nr. Chandraswaropp  
Soc. Ambegaon Bk., Shri Apt. Nr. Chandraswaropp Soc, Pune,  
Maharashtra, India - 411046

**Email:** sangmeshgaribe.scoe.comp@gmail.com

**Date of Birth:** 28 Jan, 2004

**Known Languages:** html,css,javascript,c++,java-basic

**Permanent Address:** At.Neknal,tq.deoni,dist.laur, Deoni,  
Maharashtra, India - 413519

**Phone Number:** +91-9325709820
